Dear Business Owner,

Christina Fullerton  
*Treasurer*

The success of the Stonington Public Schools is grounded in the people who support them. The Stonington Education Fund's mission for 29 years has been to support and encourage our talented teachers and staff by providing grants to support educational activities beyond the limits of the school budget. SEF relies solely on contributions from individuals and businesses in our community, and your support can make a big difference in our schools.

Each year we hold an Education Celebration, a fun-filled evening that raises money for our cause. Corporate sponsors are an important component to making this fundraiser our most beneficial of the year. We are planning a night of "Cocktails for a Cause" at Mix Rooftop Bar and Restaurant on April 24th in Mystic, and we are seeking your support to help make this year's event the most profitable event to date.
